

OHIO AWNING & MANUFACTURING COMPANY

Project Installation Crew and Leaders

At Ohio Awning you have the chance to gain experience at an established, growing company that operates at the intersection of the manufacturing and outdoor living industries. To support us in our activities, we are currently looking for a quality-driven estimator/project manager to join our growing team.

Do you like working outside? Do you understand how a building goes together?

Ohio Awning & Manufacturing Co. is seeking installation members for our residential and commercial awning installation crews.

Responsibilities

- Provide customers and homeowners a superior level of service with a positive attitude
- Acquire and maintain expert-level knowledge of our products
- Accurately read and understand a tape measure, ensuring locations are correct
- Understand building design and methods to mount to proper structure
- Work well with others to get the project done

Traits and Qualifications

- High aptitude for prioritization, organization, and self-direction
- Experience in reading and understanding architectural plans
- Strong verbal and written communication skills with a focus on clarity and precision
- Ability to thrive in a highly independent role
- Sense of humor
- Retention of product training and information given once or in small bursts
- Construction experience, carpentry, or other trade
- Comfort on a construction site, ability to work with other trades
- Experience with hand and power tools
- Ability to climb ladders (most awnings are not at ground level)
- Valid driver's license with a clean driving record

The proper candidate will be a hard worker that wants to learn the awning trade. Experience is a plus but not required, we do provide hands on training both on the job and at training sessions in our shop. Overtime opportunities are likely.

We encourage you to apply if you enjoy working independently and have the drive to do so with precision and enthusiasm. This is a full-time position with competitive compensation.
